EDUCATION

Bachelor of Engineering in Computer Science

Aug 2021 - Jun 2025

Saveetha Engineering College, Chennai

Higher Secondary School

Jun 2007 - May 2021

Oxford Matriculation, Chennai

PROFESSIONAL EXPERIENCE

Front End Developer - Intern | Connect Infosystems

Jan 2023 - Feb 2023

- Acted as a Frontend Developer Intern at Connect Infosys, I specialize in HTML, CSS, and JavaScript, with a particular focus on crafting responsive web applications. Notably, I led the development of a mobile and desktop responsive food restaurant web application.
- where I improved user interface (UI) and user experience (UX) by 10% through minimalistic design principles.
- With a strong foundation in responsive design and a knack for improving user experiences, I am well-equipped to contribute effectively to any web development team.

PROJECTS

ToDo List Application | ReactJS, MongoDB, ExpressJS, NodeJS

May 2023 - Jun 2024

- Developed a MERN stack to-do list application with functionalities for adding, deleting, and updating tasks. The project showcases full-stack development skills, integrating MongoDB, Express, React, and Node.js.

Weather App | ReactJS

- Developed a React web application, Implemented features using React.js, HTML, CSS, and JavaScript. Overcame challenges in UX/UI design and integration with RESTful APIs. Achieved improved functionality and user experience.

Login and Registration system | C++

- demonstrating mastery of C++ fundamentals and proficiency in implementing complex algorithms and data structures to ensure secure user authentication.

SKILLS

Languages: C, HTML, CSS, JavaScript, Java

Frameworks: ReactJS,
